Problem _____ Part _____ Page _____ of _____

Write only inside the box. Anything outside it is not collected. One part per page. (a long answer can run to more pages)

Do not write your name, student ID or email address anywhere on this page.

Write with a soft pencil (2B or B) or a pen. Hard pencils come out faint and photograph badly.
Print on US Letter at 100%, not "fit to page", single or double sided. All four black corner squares must appear.
